4. What do you think is the best way a charity can help people who live in areas that flood regularly? Order them 1-5. (Number 1 as your best way of helping and 5 as your least helpful way).

Ways in which charities help people who live in areas that flood regularly	Number 1-5
Offer people somewhere else to live	
Give people money to spend as they wish	
Give people food and clothes	
Provide people with information and training on how to keep safe when the floods arrive	
Provide people with information and skills to prepare for the floods so they won't harm them as much, e.g. how to build flood-proof homes	

5. When you see pictures or hear stories of people living in different countries affected by flooding, do you? Put a ring around one.

Not really care

Care a little

Care a lot

If you do care, do you believe that you might be able to do something to make a difference? Yes/no

If 'yes' what ideas do you have?
